

**Global School**

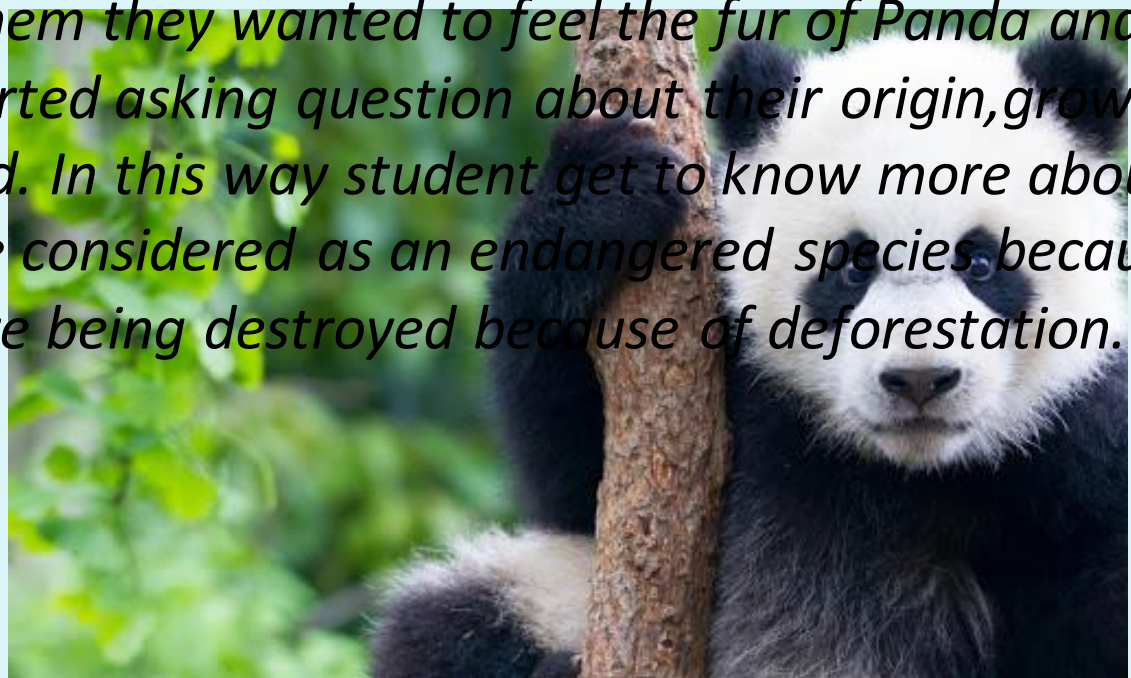

**New Palam Vihar**

**Chapter-Pandas for Real**

### **Summary of the lesson**

*Miss Patil has a surprise for the students. She was teaching them about Pandas which is her favourite animal. Each of the student was excited to see Panda in front of them they wanted to feel the fur of Panda and each of the student started asking question about their origin, growth and their favourite food. In this way student get to know more about the life of Panda. Panda are considered as an endangered species because their natural habitat are being destroyed because of deforestation.*

# Note- Students this should be done in your English copy.
